DISCOVER THE UNIVERSE OF MARIE LARRIVÉ

A painter and video artist, Marie Larrivé developed her practice of still and moving images during her studies at ENSAD Paris. Trained in model-making, traditional cartooning and painting techniques, she explores different types of narratives. Questions of movement and fiction are at the heart of her practice.

The festival has been able to discover her work as a filmmaker with *Noir-Soleil* (SACD prize for best French-language animated film in 2022) and the screenplay, graphics and sets for *Margarethe 89* by Lucas Malbrun, presented in National Competition in 2024.

GRAPHIC DESIGN

The 2025 poster features a new visual identity for the short film festival. This new graphic charter was designed by [Laure Fournier](#).
